

220 to 380 inverter with 15kw

Overview

Customized 20 hp VFD converts 1-phase 220V/230V to 3-phase 380V/ 415V for AC motor speed control, featuring 15 kW rated capacity. High performance variable frequency drive can be used as elevator VFD with fast start and stop response, large moment of force at low speed.

220 to 380 inverter with 15kw

15kW Single phase 220V to Three phase 380V Power Converter

The main function of the single-phase to three phase power supply is to convert the existing AC grid 220V into three-phase 380V power output with Electric pure sine wave power supply.
