

# **72v lithium battery pack customization**

## Overview

---

Who makes custom 72V lithium batteries?

Custom 72V Lithium Battery Solutions At Tritex, we specialize in 72V lithium batteries for motorcycle and other applications. With over 15 years of experience and a team of 100+ engineers, you get: Custom Solutions: Tailored OEM/ODM production to meet your unique needs. On-Time Delivery Assurance: 3 production sites, producing 4,000+ packs daily.

What is a 72V lithium battery pack?

The cells in the 72v lithium battery pack are 18650 batteries, 18 mm in diameter, 65 mm in length, o-type cells. It can power scooters, boats, solar applications, and other electrical equipment that need higher electrical energy. There are several advantages of using lithium-ion batteries.

Do lbs 72V lithium batteries have a warranty?

LBS 72v lithium batteries have a four-year full replacement warranty in case there are manufacturer defects. Just be sure to claim within the warranty's time frame Buy 72V lithium batteries for deep-cycle applications like motorhomes and electronics. With Zero toxic metals, our batteries charge 6 times faster.

Can a 72V lithium ion battery be used for heavy machinery?

72v lithium-ion batteries are efficient for powering heavy machinery. If you love your appliance and would love to stay with it for a longer period, you should charge it first before using it. It would be best to have the correct charger that is designed for lithium ion battery to avoid damaging the appliance.

Why should you choose a 72V battery?

Our 72V batteries embody the latest trends, offering features such as swappability, multi-battery connectivity, regenerative braking, IoT integration,

and smart BMS. With extensive experience in customization while adhering to automotive quality standards like IATF 16949, we provide tailored solutions while maintaining transparency and openness.

Can lithium ion batteries be recycled?

The demand for lithium ion batteries has been increasing lately. Our batteries can be recycled easily and with very little of a hassle. After supporting 6000+ projects, we're sure that we can do the hassle-free solution and service for you. Not only to protect your investment, but also our advanced BMS will make your battery more efficient.
