

Communication base station wall-mounted solar installation manufacturer

Overview

What is a wall-mount communication station?

Wall-mount communication stations provide a budget-friendly, aesthetically-appealing emergency communications package for indoor and outdoor use. Expand your knowledge base with our selection of literature and blog article about blue light emergency tower solutions.

Are solar call stations a good option?

Solar call stations are an option if power isn't available, but a telephone line is. WiFi tower solutions are also available for other applications. Essential safety application if cell phone communications are unavailable Highly visible and provide peace of mind.

Do I need a solar or cellular call station?

Solar or cellular call stations are recommended if no power or telephone line is available in areas such as parking lots or remote areas
