

Communication green base station equipment wholesale

Overview

What are used base stations?

Used base stations are the key revenue generating tool for your wireless network. Worldwide Supply offers a variety of OEM branded used wireless base stations to fit your unique network configuration.

Where can I buy used wireless base stations?

Worldwide Supply offers a variety of OEM branded used wireless base stations to fit your unique network configuration. As you expand into new markets and adopt newer technologies, turn to Worldwide Supply to sell your wireless base stations and generate a maximum return. We work hard to be your best location to buy wireless base stations.

Can a mobile CB radio be used as a base station Radio?

Same with a vehicle antenna, the longer and higher the antenna is, the more range you will get. Take note that you can utilize a mobile CB radio as your base station radio, however, you will likely need a power supply to power the radio since they typically do not come with a power cord that you can plug into the wall.

Are base stations a good way to stay connected?

Base stations are a great way to stay connected, especially during an emergency. We have base station radios, antennas, and microphones! Same with a vehicle antenna, the longer and higher the antenna is, the more range you will get.
