

# **Congo DRC s largest future energy storage project**

## Overview

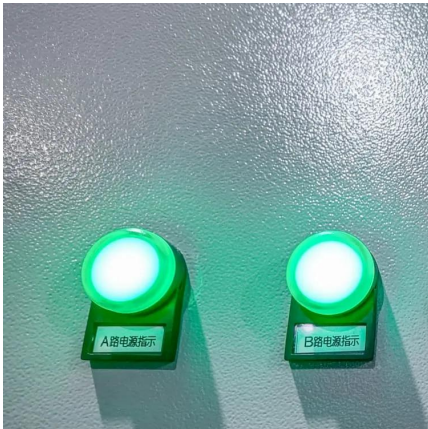

---

Kamoa Copper's landmark 30 MW solar+storage project in DRC sets new standard for clean energy in African mining, cutting emissions and powering Africa's largest copper mine.

## Congo DRC s largest future energy storage project

---

### Democratic Republic of Congo Chemical Energy Storage Project ...

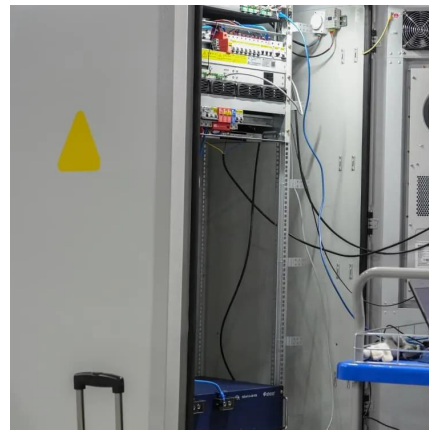

The Democratic Republic of Congo (DRC), blessed with abundant renewable resources, faces a critical challenge: harnessing unstable energy supplies for its growing population and industries.
