

Democratic Republic of Congo outdoor communication battery cabinet production equipment

Overview

Can the Democratic Republic of the Congo produce lithium-ion battery cathode precursor materials?

London and Kinshasa, November 24, 2021 – The Democratic Republic of the Congo (DRC) can leverage its abundant cobalt resources and hydroelectric power to become a low-cost and low-emissions producer of lithium-ion battery cathode precursor materials.

Who is a Caterpillar dealer in the Democratic Republic of Congo?

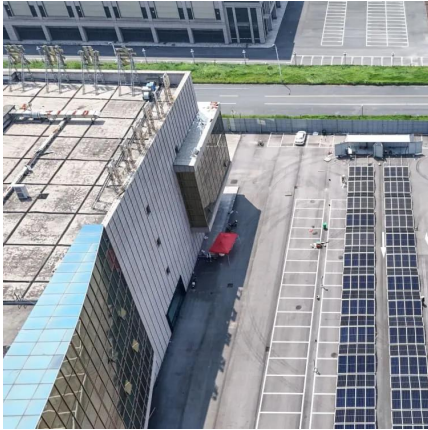

Congo Equipment, your trusted Caterpillar dealer in the Democratic Republic of Congo, recently had the distinct pleasure of hosting a delegation from a leading Chinese mining company at our state-of-the-art facilities.

Where did Congo equipment participate in the LINC DRC?

The event took place in Lubumbashi on the company's site. Last Saturday, Congo Equipment participated in The LINC DRC in Kolwezi, an event organized by Bear Cannon. For this occasion, we set up a stand where we presented a simulator to all the curious who wanted to know more about our activities.
