

# **El Salvador s largest energy storage system**

## Overview

---

Jinko ESS has achieved a significant milestone by deploying the first energy storage power plant in Central America. This 2.15 MWh system, integrated with a 3.6 MWp solar power plant in San Miguel, El Salvador, represents a major advancement in renewable energy for the region.

## El Salvador s largest energy storage system

---

### [Energy Storage Systems Deployed in El Salvador](#)

Jinko ESS has deployed its SunGiga energy storage systems in El Salvador, enhancing the nation's renewable energy infrastructure. The installations are designed to ...
