

Kenya Industrial and Commercial Energy Storage Battery Equipment Manufacturer

Overview

Who are associated battery manufacturers (ABM)?

ABM (Associated Battery Manufacturers) is the only battery manufacturing company in Kenya, and the largest in East and Central Africa. We produce both vented and maintenance free batteries for automotive and solar use. We pride ourselves on maintaining the highest possible standards of safety, ingenuity and environmental responsibility.

What products does everexceed Kenya offer?

EverExceed Kenya also provides innovative and eco-friendly products, such as industrial batteries, solar modules, inverters, solar street light system, chargers, UPS, power as well as Data centre solutions. R n D Centre; Manchester UK.

What makes ABM a great battery manufacturer?

ABM dominates the battery market, offering high-quality options for various applications, ensuring reliability and durability across industries. ABM extends its battery manufacturing operations, providing dependable power solutions and fostering accessibility through strategic partnerships.
