

Mozambique 2025 Energy Storage Project

Overview

Financed by a \$100 million grant from the World Bank's International Development Association and supplemented by an additional \$31 million from the Mozambique Energy for All Multi-Donor Trust Fund—comprising \$13 million from the Government of Sweden and \$18 million from the Government of Norway—the project aims to transform the lives of households, businesses, and health and education facilities across urban, peri-urban, rural, and deep rural areas.
