

Photovoltaic 6kw outdoor portable energy storage power supply

Overview

What is a 6kW solar power system?

6kW solar power systems are becoming increasingly popular with medium to large families as they have the capacity to cover bigger than average power bills and are better value for money than 5kW solar power systems.

Does hbk-6 have a 240 volt power supply?

Whether you're looking to run your RV, off-grid home/cabin, or for an emergency backup solar system at your home, the HBK-6 solar kit comes with everything you need to get off the grid in just hours! Using the Growatt MPV 6KW unit, you will have 120 or 240V output (split phase). Perfect for running well pumps and other 240V appliances!.

Is Growatt MPV 6kW really all I Need?

Using the Growatt MPV 6KW unit, you will have 120 or 240V output (split phase). Perfect for running well pumps and other 240V appliances! You might be wondering – is this really all I need?

Especially considering some of the prices we've heard our customers getting from other solar installation companies. But the answer is yes.
