

Qatar Energy Storage Power Company

Overview

What if I receive a suspicious email from qatarenergy?

QatarEnergy encourages recipients of suspicious communications to verify their authenticity before taking any action. If in doubt, verify communications by contacting speakup@qatarenergy.qa. For more details and to report suspicious activity, visit our [fraud and scam webpage](#) or [vendor scam webpage](#).

How do I report a scam on Qatar energy?

If in doubt, verify communications by contacting speakup@qatarenergy.qa. For more details and to report suspicious activity, visit our [fraud and scam webpage](#) or [vendor scam webpage](#). Natural gas is an important part of the solution in the energy transition.

Who should be alert to fraudsters impersonating qatarenergy?

We urge the general public, our customers and stakeholders to be alert to fraudsters impersonating QatarEnergy, its subsidiaries, or employees to obtain money or private information.
