

# **South Africa s outdoor communication power supply BESS supplier**

## Overview

---

Who is supplying battery energy storage systems in South Africa?

Source: Eskom. A Chinese green technology company has been contracted to supply battery energy storage systems (BESS) for the Oasis 1 cluster of projects in South Africa. Envision Energy announced the contract with the EDF Group, to supply three battery energy storage systems (BESS) amounting to 257MW of capacity and 1,028MWh of storage.

Who is Bess & what do we do?

We design and build BESS containers with full engineering sign-off. We supply and install solar plants, inverter, and battery storage systems from 50kW to 2MW, specializing in BESS containerized solutions.

What is Eskom's Hex Bess project?

Image: Eskom's HEX BESS project is the first of the utility's own-build battery storage projects. Source: Eskom. A Chinese green technology company has been contracted to supply battery energy storage systems (BESS) for the Oasis 1 cluster of projects in South Africa.
