

# **What are the brands of dedicated solar on-site energy**

## Overview

---

Which companies offer solar energy solutions?

SolarCity offers solar energy solutions to residential and commercial customers, providing clean and sustainable power. Their services include installation, financing, and maintenance of solar panels. 3. Sunrun Sunrun is a solar company that offers solar energy solutions to residential customers.

Which solar companies make their own solar panels?

These include LG, Panasonic, Solaria, and Canadian Solar, whereas other companies manufacture their own panels, like SunPower and maybe Tesla (as we said, it's difficult to know). At ConsumersAdvocate.org, we take transparency seriously. Looking to reduce your energy bill and carbon footprint?

.

Which solar companies offer flexible financing options?

Flexible financing options available. Operates in California only. Want your company to be on this guide?

Sunlux, Project Solar and Freedom Solar Power are the top solar companies, based on customer reviews, equipment options, warranties and other factors.

Which solar company is best in 2025?

Based on thousands of customer reviews, equipment selection, payment options and system performance guarantees, Sunlux is the top solar company in 2025. Project Solar stands out for having the most transparent pricing, and Freedom Solar Power is best for a good customer service experience throughout the installation process.

Who are the partners in solar energy companies?

That said, the analyses and opinions on our site are our own and we believe in editorial integrity. The following companies are our partners in Solar Energy Companies: SunRun , Home Solar Rebates , Solar Direct , Solar America , mySolarCost , Sesame Solar, and Ask Solar.

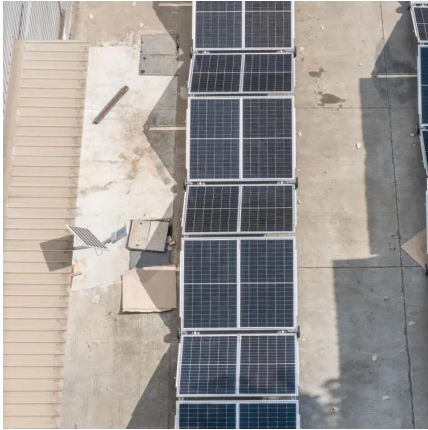

How did ConsumerAffairs choose the best solar energy companies?

The ConsumerAffairs Research Team used a research-backed, data-driven approach informed by our expert editors to choose the best solar energy companies. We considered thousands of verified reviews, equipment options, payment options, system warranties and production guarantees.
